Focusing on South Asia, the Archive includes reports, rare books, and journal runs from noteworthy, rare publications.

**New Resource: Thesaurus Linguae Graecae Online**

University of Liverpool staff and students now have access to Thesaurus Linguae Graecae (TLG) Online. The Thesaurus Linguae Graecae is a research program at the University of California, Irvine. Founded in 1972, the TLG has collected and digitized most literary texts written in Greek from Homer to the fall of Byzantium in AD 1453. Its goal is to create a comprehensive digital library of Greek literature from antiquity to the present era. Access this resource via the library catalogue at Thesaurus Linguae Graecae [http://library.liv.ac.uk/record=b3586266~S8](http://library.liv.ac.uk/record=b3586266~S8) (University login required off campus).

**NEW RESOURCE: JOVE Science Education: General Laboratory Techniques**

University of Liverpool staff and students now have access to a new online resource; ‘JOVE Science Education: General Laboratory Techniques’. JoVE, the Journal of Visualized Experiments, is a peer reviewed scientific video journal. ‘Science Education: General Laboratory Techniques’ is a video database dedicated to teaching laboratory fundamentals through easy to understand video demonstrations. Access this resource from [http://library.liv.ac.uk/record=b3580233](http://library.liv.ac.uk/record=b3580233) (University login is required off campus).

**Library for Online Programmes – Web Site Redesign April 2015**

The Library for Online Programmes site has been redesigned; you can still access the Library at the same URL: [http://libguides.liv.ac.uk/onlineprogrammes](http://libguides.liv.ac.uk/onlineprogrammes)

You can also access the site from the same locations/links such as the main University of Library Web site (see [http://liv.ac.uk/library > LibGuides > Online](http://liv.ac.uk/library > LibGuides > Online))
Programmes) or for Laureate-based students, links from sites such as the Centre for Student Success or links from your online learning environment (e.g. Blackboard).

The redesigned Library Web site now provides previous support and subject support from the top navigation bar such as E-Resources, Brief Guide, Referencing, Contacts and Guides.

You can access all major ‘Discovery’ tools such as DISCOVER, ‘Key Databases’ (Web of Science, Westlaw and others) and Google Scholar from the homepage:

The Library Training Module is still accessible from the ‘Training’ tab. A range of subject discipline pages are also provided, e.g. Veterinary Science, Law, Records Management, Education:

These pages provide a range of guidelines, video, search options and links to suggested database and academic related Web sites for your subject area:
The ‘E-Resources’ area still provides search tools for E-Resource types, such as E-Journals, Data and Reports, E-Books, Patents, International Standards/ISOs, Theses & Dissertations etc.:

- The ‘Guides’ tab, listing all guidelines available in PDF or Word format.
- The ‘Training’ tab, providing access to the Library Training Module.
The Video/Tutorials icon, shown in the left side menu.

The side menu continues to provide a range of additional sources of information and tools, including your University (not Laureate) email, access to the UoL research repository, Video and Tutorials, Software applications, Refworks citation management tools and guidance and other features:

All URLs found in the older version of the Library for Online Programmes will continue to work as usual, all ‘perma links’ (shown in the side menu on every page) will also continue to forward to the same pages.

If you have any problems using the redesigned Library Web pages please use the ‘Contacts’ tab which now also includes IT support options and information on how to contact your Librarian http://libguides.liv.ac.uk/onlineprogrammes/contacts
